Hello Jim Schumacher,

Ask we spoke earlier, the current fee schedule is as follows:
https://dnr.wisconsin.gov/sites/default/files/topic/Waterways/WW_Permit_Fees_July_1_2023.pdf

You have applied for 2 waterway individual permits, each $750 ($1500), one wetland individual permit ($1700), and for the DNR to publish class 1 notices ($150). There is also a $3 service fee. This totals $3353. You paid $2136. The balance is $1217.

Please send a paper check, with a permit number in the memo: WP-IP-SC-2024-13-X02-29T09-12-36, for $1217 to:

Wisconsin DNR
Water Permit Central Intake WT/3
Attn Sarah Bogan
PO Box 7921

Unfortunately, our e-permitting system doesn't allow electronic payments. The other option is to ask in writing (via email) for these applications to be withdrawn and then pay the correct charges in total in a new permit application.

Thank you for your help in resolving this.

We are committed to service excellence.
