SUBJECT: CAFO WPDES Permit Application - Acknowledgment of Receipt

Dear Howard Roth:

The Department received your final application for a CAFO WPDES permit for Roth Feeder Pig II on May 26, 2020. The application is complete for review and now includes the following components.

1. Livestock/Poultry Operation WPDES Permit Application Forms 3400-025, 025B, 025C
2. Animal Unit Calculation Worksheet Form 3400-025A
3. Labeled Aerial Maps
4. Soil Survey Maps
5. EA Questionnaire
6. 180 Day Manure Storage Calculations
7. 180 Day Manure Storage Documentation
8. Nutrient Management Plan (NMP)
9. Plans and Specifications for underbarn waste storage facilities, waste transfer, and compost building

I have distributed your application components to the appropriate DNR technical reviewers. As the review process continues, additional materials may be requested.

Your regional Agricultural Runoff Management Specialist is Claire OConnell. Claire OConnell can be contacted at (608) 963-1463 or by e-mail to [Claire.OConnell@Wisconsin.gov](mailto:Claire.OConnell@Wisconsin.gov). You should now work with her to continue processing your permit application.

Thank you for submitting a final permit application. Please do not hesitate to contact Claire OConnell or me if you have any questions about your application materials.

Sincerely,

A handwritten signature in cursive script that reads 'Anthony Salituro'.
