

Agricultural Livestock Operation Permit Application

General Information

Applications are completed in a series of steps. Please complete the fields below and then press **Next**. You will then be able to **Complete** required forms, **Attach** project documentation, **Include** your digital signature, and **Submit** your application to the DNR.

Basic Permit Info

NOTE: Missing or incomplete fields are highlighted on the application and at the bottom of each page. Once all required fields are completed you may navigate away from that page. After navigating away from a page, you may return to it to make changes.

Project Name

(Required: Project will be saved to system using this name)

Roth Feeder Pig II Plans

Permit Action

Engineering Plans and Specifications or Reports

Activity

3400-pns

Facility County

Crawford

Facility Name

Roth Feeder Pig II

Facility Number

71087

Engineering Plans & Specifications for a New or Modified Facility or System (including Groundwater Monitoring), or Operating Methods (Chemical Addition or Combined Wastes) [NR 243.15, NR 243.17 or NR 243.18]

- Fill out the project and facility information above and press Next
- Fill out Form 3400-25C Reviewable Facilities and Systems Checklist.
- Attach Design Report
- Attach Drawings

CAFO Reviewable Facilities of Systems Checklist for Livestock/Poultry Operation WPDES Permit Application

Form 3400-025F (R6 /18)

Page 2 of 2

Have all test pits/soil borings logs, elevations, depths, soil types, and Munsell colors with a site map containing their location for the required proposed facilities included?

Yes No

Is there a wetland or wetland indicator area near the project location? (See Department of Natural Resources (DNR) Surface Water Data Viewer using the Mapped Wetland layer & Wetland Indicator & Soils layer) <https://dnr.wi.gov/topics/surfacewater/swdv>

Yes No

If yes above, was a wetland delineation / determination completed and a copy enclosed with this submittal?

Yes No

NA

The preparer and owner understand all of the following:

- The DNR has 90 days to issue a decision once complete plans and specifications are received under ss. NR 243.15 or 243.17, Wis. Adm. Code. Evaluations under s. NR 243.16, Wis. Adm. Code are not subject to the 90 day limit. The owner must obtain all other state and local approvals.
- The proposed project complies with surface water and groundwater discharge limitations in s. NR 243.13.
- The number of copies required for both plans and specifications and evaluation submittals is listed on the WDNR Documentation and Electronic File Checklist, which can be found within the permit application packet or on our website at: <http://dnr.wi.gov/topic/AgBusiness/CAFO/PlansSpecifications.html> .
- It is a violation of ch. NR 243, Wis. Adm. Code, and/or the WPDES Permit to construct reviewable facilities prior to DNR approval.
- If an Environmental Impact Statement (EIS) is required, plans and specifications aren't complete until a complete EIS and/or permit application information is submitted to DNR. An approval on the plans and specifications can't be issued until the EIS is final, except statutory approval 90 days after complete plans and specifications are received by DNR .
- If the project will disturb 1 acre or more area, it is a violation of ch. NR 216 to begin disturbing soil (ex: grub, grade) before obtaining a WPDES Stormwater Construction Site General Permit.
- A post-construction report is required and shall be submitted to DNR in accordance with the conditional approval letter.
- Failure to submit all necessary information may result in rejection of the plans and specifications.

Forms and Attachments

To help us make a decision in the shortest amount of time possible, the following information must be submitted:

Supplemental Attached Forms

Sign and Submit Permit

Steps to Complete the signature process

1. Read and Accept the Terms and Conditions
2. Press the Initiate Signature Process button
3. You will receive an email (within 5 minutes) with instructions to complete the signature process.
4. Follow the instructions in the email.

You will receive an acknowledgement email upon completing these steps.

Terms and Conditions

I certify that:

1. The Plans and specifications or engineering evaluations included within this submittal have been reviewed by the operation owner/operator.
2. I believe the proposed project will comply with discharge limitations in s. NR 243.13, Wis. Adm. Code.
3. For proposed plans and specifications, a post construction report will be submitted to the DNR with a statement that construction conforms with applicable administration codes, NRCS Standards, and approved plans and specifications.

I understand that pursuant to s. 283.91(4), Wis. Stats., any person who knowingly makes any false statement representation or certification in a document filed with the DNR may be punished by a fine of not more than \$10,000 or by imprisonment for not more than 6 months or both.

NOTE: For security purposes all email correspondence will be sent to the address you used when registering your WAMS ID. This may be a different email than that provided in the application. For information on your WAMS account click [HERE](#).

Authorized Signature

Enter Your Name:

I accept the above terms and conditions.

Signed by : i:0#f|wamsmembership|drwierzba on 2020-04-30T13:44:16

After providing the final authorized signature, the system will send an email to the authorized party and any agents. This email will include a copy to the final read only version of this application.
